William Jones paid \$5 in the Potice Court yesterday afternoon for helping himself to chestnuts in the Smithsonian grounds. DEATH BY STRANGULATION. Suicide of an Insane Woman in a Sta-

tion House.

Yesterday afternoon at 8:45 o'clock Lieut. Heffner of the second police precint discovered that an insane prisoner-Christiana Chisleyhad committed suicide in the witness' room by choking herself with strips torn from a pillow case. The woman was found the night before on the street violently insane, and Officer Trammell and three others took her to the station yesterday about 1 o'clock. Dr. Kleinschmidt examined her, finding that she was a lunatic, and recommended that she be sent to the government hospital at St. Elizabeth. This was about 1 p.m. Between that hour and 3:45 p.m., when she was seen by Lieut, Heffner, she had torn her pillow case into strips, which she had tied tightly about her throat. Lieut. Heffner hastily summoned assistance and Dr. English responded. It was found that life was not quite extinct, and efforts were made to resuscitate her, but without success. Her mother, Cecelia Robbins, was sent for and stated to Coroner Patterson that the deceased had been married about nine years, but her husband had left her; that for a week past she had been insane, suffering with the hallucina-tion that she was under a spell; that she had been very restless, scarcely sleeping at all, and when she closed her eyes for a moment she would jump up and go to beating off imaginary serpents and beetles. The coroner gave a cer-tificate of death and the body was turned over

to her friends. Sergeant Haines won the Medal. Sergt. Haines won the competitive drill medal of company C, Washington Light Infantry Corps, last night. The drill was judged by Capt. "Burt" Ross, the commands being given by Capt. Ourand. There were twentytwo competitors.

The Veterans of 1861.

The District veterans of 1861 met last night at St. George's Hall, Mr. J. Bradbury presiding, and L. F. Clements, secretary. There was a large attendance and the meeting was an interesting one. The veterans gave a number of reminiscences, and discussed the prospects of the \$100 bounty bill. The opinion was ex-pressed that the pension bill endangered the passage of the bounty bill, but many present urged that it was their duty to use all able means to secure the passage of the bill, although it would be in the nature of a recognition for their services merely, as in many in stances the amount would not more than pay the cost of the uniforms paid for by the volunteers themselves and worn out in the service.

Northern Excursionists in Town. One hundred and fifty excursionists from the north reached the city last night and are now engaged in doing the town. They are quartered at La Normandie. The party is in charge of Tourist Agent Studds of the Pennsylvania railroad and travels in a special parlor car train. Sentenced for Four Years. In the Criminal Court Chief Justice Bingham this morning sentenced Frank Williams, colored, to the Albany penitentiary for four years. Williams was convicted on Friday last of robbing Mr. Ephraim King of a small sum of money near the court house July 13 last.

Suit Against a Railroad Company. Isadore Smolensky, by C. Bendheim, has filed a suit against the Baltimore and Potomac Railroad Company to recover \$1,500 damages for goods shipped from this city to Florida, which plaintiff claims did not come to hand.

Stole a Horse and Buggy. Monday afternoon an unknown, short, stout,

white man drove off with a horse and buggy belonging to Mrs. Sarah Brown of No. 815 Delaw re avenue southwest. The team was taken from in front of 1113 9th street, and the police are now looking for the alleged thief.

Sentenced for Larceny. Pleasant White, one of the three men who was convicted of robbing Mr. Emmert on the highway several years ago, and sentenced to the penitentiary for five years, but who was pardoned before being sent to state prison, was before Judge Mills today, charged with the larceny of two hounds belonging to a son of Mr. August Donath. The dogs were left in a cellar night before last and yesterday morning they had disappeared. It was evident that some one had opened the door leading to the cel ar and assisted the dogs out of their place of safekeeping. Pleasant White had been seen with the dogs, and when the theft was reported to the police he was arrested. He claimed that the dogs followed him home. Officers Heide and Dean told of the prisoner's previous penitentiary sentence, but the latter said he had never been in state's prison. Lawyer Moss, who defended him at that time, told the court about the conviction and pardon and Lawyer Peyton, who defended White today, said he had known his client ever since he was "knee high to a duck," and then said what he could in his behalf. Judge Mills lectured White for trying to deceive the court concerning his former arrest and fined him \$50 or 90 days.

Why the Charge Was Ignored. As stated in THE STAR yesterday, the grand jury ignored the charge against Thomas H. Shayne, who had been arrested on complaint of Mr. J. P. Lewis on a charge of obtaining money on false pretenses. It was alleged that Shavne had obtained goods from Mr. Lewis on a draft, which was returned "no good," Investigation showed that there was no intent to defraud, a mistake having been made concerning the draft, and the charge was ignored on a statement of the circumstances made to the

jury by Mr. Lewis. landlord. Besides his son in this city Mr. Roes-sle left one daugther, who is now in Wisconsion.

A Steady Man With Unsteady Nerves.

John Steady's nerves were not very steady John Steady's nerves were not very steady when he appeared before Judge Mills this morning. He was drunk yesterday and he imagined that a man was going to drive over him china is now being made. Buy now and get an interest in all this before all the stock is into the street and grabbed the bridle and created a disturbance thereby. He was fined \$5.

> Five Dollars for Being Disorderly. When the name Jerry Sullivan was called in the Police Court today a middle-aged man responded. He was bareheaded and his shirt sleeves were rolled up in such a manner as to give him the appearance of a man looking for a fight. Disorderly conduct on H street was the charge against him and he pleaded drunk-enness as an excuse. Policeman Longhran told of the loud noises made by Jerry and the judge asked the latter what he had to say. "I don't know nothing," he responded. "Mr. Mills, you know me, I'm a buckster on il street." "And you can pay a fine of \$5," said the court.

The visitors left last evening, about balf of them going north to the Lake Superior from regions and the remainder going south to visit the new from mills in Ala-bama. The two parties will come together again the latter part of this month at New York, whence they will sail for Europe.

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me \$200 peoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body, and got under my nails. The scales would drop off of me all the time, and my suffering was endless and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, &c. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free from scales as a baby's. All I used of them was \$5 worth. If you had been here and said you would have cured me for \$200 you would have had the money, I looked like the pic-ture (No. 2, page 47) in your book.
